Planning Reports and Presentations:

Homelessness in Rochester and Beyond – Presenter, 2025 Upstate New York Chapter, American Planning Association (APA)

Developed and delivered a 90-minute conference presentation examining homelessness in the Rochester region, including housing trends, systemic causes, local and state policy, and community-based solutions. Coordinated a multidisciplinary panel of housing, shelter, healthcare, and government leaders to provide cross-sector perspectives on homelessness, affordable housing, and service delivery for planning professionals.

Innovation District Feasibility Assessment – Buffalo, NY

Contributed to an applied planning assessment examining the feasibility and community-development implications of an innovation district, integrating economic development, neighborhood conditions, land use, and implementation considerations.

Northeast Greenway Rail to Trail Planning Project-Buffalo, NY

Participated in planning analysis addressing transportation, connectivity, land use, community conditions, and implementation considerations associated with a proposed greenway/trail initiative.

Rochester 2034 Comprehensive Plan Analysis

Evaluated components of the City of Rochester's comprehensive plan and prepared written and presentation materials examining planning priorities, implementation considerations, and community-development implications.

PROFESSIONAL EXPERIENCE

Homeless Outreach Program Manager | September 2024 – January 2026

Person Centered Housing Options (PCHO, Inc.), Rochester, NY

Provide leadership and strategic oversight for the Homeless Outreach Program, driving program design, development, and innovation to advance the organizational mission and community impact. Direct strategic planning and cross-sector initiatives to strengthen the housing continuum and reduce homelessness across Monroe County. Partner with government agencies, funders, and community organizations to align outreach strategies with broader system goals.

- Oversight of staff HMIS inputs and corrections as necessary to ensure eligible clients will be prioritized to get matched with a housing program
- Supervised and trained outreach staff; conducted regular one-on-one supervision and performance reviews
- Directed implementation and compliance of HUD/COC standards through monthly HMIS audits and random HMIS chart reviews
- Oversaw program policies, procedures, and service delivery in alignment with agency goals and fiscal responsibility
- Represented PCHO at interdisciplinary and community partnership and steering committee meetings
- Managed hiring, onboarding, and professional development; promoted staff growth through mentoring and training
- Responded to client and landlord concerns; ensured quality service delivery and client satisfaction
- Championed a collaborative team culture emphasizing accountability, equity, and client engagement

Program Manager | July 2025 – January 2026

TEMPRO/(PCHO) Emergency Shelter Homes (EHAP, Leased Housing) Rochester, NY

Program Manager experienced in overseeing an emergency family homeless shelter, coordinating services across multiple shelter units. Adept at developing individualized housing plans, partnering with DSS and community providers, and ensuring program compliance and safety. Leads teams with accountability and a trauma-informed, client-centered approach to support families transitioning from crisis to stable housing.

- Manage daily operations of an emergency family housing program consisting of 11 units. 56 beds across 8 residential homes, ensuring safety, compliance, and supportive services for families experiencing homelessness.
- Supervise, train, and support housing advocates and outreach staff; establish expectations, monitor caseload progress, and provide guidance on trauma-informed, client-centered practices.
- Oversee intake and placement process, ensure timely assessments, eligibility verification, and transition plans into stable housing in coordination with DSS Emergency Housing and community partners.
- Lead individualized case planning with families; remove barriers to permanent housing by coordinating with landlords, DSS, medical providers, schools, and childcare systems.
- Ensure accurate and timely documentation in HMIS and internal databases; prepare daily status reports and participate in weekly case conferences with DSS supervisors.
- Coordinate move-in logistics, including transportation, utilities setup, school enrollment, and household stabilization support to ensure safe and sustainable housing transitions.
- Maintain program compliance, confidentiality standards, and alignment with trauma-informed care and motivational interviewing approaches.

Office Manager/Bookkeeper | 2021-2024

Seven Sages Wellness Center, Rochester, NY

Student | 2018-2021

University at Buffalo-Master of Urban

Planning Caretaker for Elderly Parent | 2005-2018

Eternal Springs Realty-Rochester, NY

Owner and General Manager | 2000-2003

Rootz-N-Rythmz Restaurant, Negril, Jamaica

Project Manager - Marketing Communications |1999-2000

Coombs Media, Fairport, NY

- Led client marketing campaigns from inception through implementation
- Orchestrated the efforts of graphic artists, writers, and vendors to produce multi-media marketing collateral

PROFESSIONAL EXPERIENCE Cont'd

Global Buyer - Marketing Communications | 1998-1999

Xerox, Inc., Webster, NY

- Analyzed Xerox's annual marketing expenditures to uncover cost-saving opportunities and enhance productivity by optimizing vendor efficiencies.
- Achieved over \$3.5 million in savings through strategic vendor consolidation and renegotiation of contract rates.
- Developed and maintained strong relationships with vendors to ensure high-quality service and favorable contract terms.
- Delivered regular reports and presentations to senior management, highlighting key insights and recommending actionable strategies.

Project Manager - Marketing Communications | 1998

DeWolf Architects, Rochester, NY

- Coordinated with architects, the graphics department, and related contractors to effectively communicate current and future projects to the media and promote future business
- Authored articles in local publications and press releases to local and business publications
- Created and managed RFP and RFQ, proposals and marketing collaterals

Student – Bachelor of Arts in Economics | 1996-1998

University of Rochester

Housing Development Manager - Project Manager | 1994-1996

Northeast Hawley Development Association, Syracuse, NY

- Successfully developed and sold \$2 million (AFI) of affordable housing units.
- Directed the entire program management process, from site selection to sales, including new construction and rehabilitation projects.
- Consistently exceeded federally mandated MBE and W/MBE participation requirements for contractors and subcontractors.
- Effectively managed construction budgets, RFP's, Contractor Selection, and HUD-related grant funding.
- Led monthly educational workshops for potential first-time homeowners, covering topics such as available grants, credit repair, homeowner responsibility, and finances.
- Administered the principal buy-down grant fund.
- Ensured strict adherence to federal regulations and compliance standards.

Program Manager - Youth Entrepreneurship Training Program | 1993-1994

Rebuild Syracuse Inc, Syracuse, NY (1-year grant)

- Drove the implementation of a one-year federal grant to educate disadvantaged urban youth on entrepreneurship.
- Delivered engaging weekly classes on small business fundamentals, ensuring a comprehensive understanding and practical application.
- Directed fundraising initiatives to secure capital for small business startups, generating community interest and encouraging future donations. Established and managed a mentorship program, coordinating bi-weekly presentations by local minority entrepreneurs to inspire and guide participants.
- Led participants through the startup process, culminating in the successful launch and operation of a community convenience store.
- Fostered partnerships with local businesses and organizations to provide additional resources and support to program participants.
- Monitored and evaluated program effectiveness, making data-driven adjustments to improve outcomes and achieve program goals.

Project Manager - Commercial Construction | 1992-1993

CHC Construction Group (MBE), Syracuse, NY

- Directed and coordinated commercial construction projects, ensuring timely completion and adherence to budget.
- Supervised project execution, ensuring quality control and compliance with safety regulations.
- Scheduled and managed subcontractors to maintain project timelines and efficiency.
- Negotiated contracts and managed procurement of materials and services.
- Interpreted blueprints and schematics to guide construction activities.
- Monitored project progress and resolved any issues to keep projects on track.
- Developed and maintained strong relationships with clients, stakeholders, and team members.
