

Rachel S. Bailey, M.U.P.

Urban Planning | Community Development | Affordable Housing

Rochester, NY | 585-208-1133 | rootzy36@gmail.com | linkedin.com/in/rachelsbailey

PROFESSIONAL SUMMARY

Urban planning and community development professional with a Master of Urban Planning and recent graduate training in transportation planning, land use, urban design, GIS, environmental planning, and neighborhood and community development. Experience includes community and stakeholder engagement, affordable housing development, research and data analysis, project and program management, RFP/RFQ development, consultant and contractor coordination, public presentations, and collaboration with government and community partners. Transportation planning experience includes a co-authored Rail-to-Trail planning study addressing active transportation, bicycle and pedestrian connectivity, multimodal access, transit connections, accessibility, and neighborhood connectivity.

PLANNING, TRANSPORTATION & COMMUNITY DEVELOPMENT EXPERTISE

Transportation Planning & Active Transportation Studies • Corridor and Neighborhood Planning Concepts • Bicycle and Pedestrian Connectivity • Multi-Use Trails • Transit and Land Use Connections • Community & Stakeholder Engagement • Public Presentations & Meeting Facilitation • Research & Data Analysis • GIS & Census Data • Project & Program Management • RFP/RFQ Development • Consultant/Contractor Coordination • Technical & Planning Writing • Affordable Housing & Community Development • Grant & Regulatory Compliance • Budget & Schedule Management

SELECTED PLANNING, COMMUNITY OUTREACH AND TRANSPORTATION TRAINING

Northeast Greenway Initiative | University at Buffalo Graduate Planning Studio

Co-authored Rail-to-Trail Planning Report

- University District Community Development Corporation commissioned the University at Buffalo graduate planning studio report and later utilized the report to help activate the Northeast Greenway Rail Trail.
- Participated in a collaborative planning study examining conversion and connection of a former rail corridor into a multi-use trail serving Buffalo neighborhoods.
- Evaluated bicycle infrastructure, pedestrian and bicycle access, neighborhood trail access, connections to local and regional assets, and connectivity involving the LaSalle Metro Station.
- Examined transportation challenges at Main Street and East Amherst Street and developed route and design alternatives for bicycle and pedestrian connectivity, including rail right-of-way, access-point, and on-road options.
- Considered accessibility, community connections, environmental conditions, healthy neighborhoods, and economic activation as project goals; studied NACTO guidance as part of transportation planning coursework.

Community Outreach & Stakeholder Engagement | Selected Professional Experience

- Community Place / Charles Settlement House: work directly with residents, community organizations, service providers, and public systems to identify needs, connect households with resources, and coordinate service delivery.
- Person Centered Housing Options: coordinated homeless outreach and housing access with government agencies, hospitals, funders, housing providers, community organizations, landlords, families, and other partners.
- NEHDA: worked with residents, public and nonprofit partners, contractors, and funding requirements on neighborhood-based affordable housing development; developed outreach materials and led monthly homeowner workshops.
- Rebuild Syracuse: coordinated community partners and mentors for a federally funded youth entrepreneurship initiative, including partnerships, instruction, and program evaluation.

Housing Development Manager / Project Manager | Northeast Hawley Development Association (NEHDA)

- Managed neighborhood-based affordable housing development from site selection through construction and sale, including more than \$2 million in affordable housing production.
- Coordinated RFPs, proposals, grants and funding, contractors, construction budgets, HUD requirements, M/WBE participation, schedules, and community-facing documentation.
- Worked with residents, contractors, public and nonprofit partners, and developed homeowner education and outreach materials and monthly workshops.

RECENT PROFESSIONAL EXPERIENCE

Family Services Manager | The Community Place of Greater Rochester / Charles Settlement House, Rochester, NY | May 2026-Present

- Manage family services operations and supervise staff while coordinating services, community resources, documentation, and program procedures.
- Coordinate community resources, service providers, and public systems to support residents and consistent service delivery.
- Develop and refine program materials, tracking tools, procedures, communications, and information used for reporting and management decision-making.

Homeless Outreach Program Manager | Person Centered Housing Options (PCHO), Rochester, NY | September 2024-January 2026

- Directed outreach program operations and supervised six staff, with extensive cross-sector coordination and stakeholder communication.

- Managed HMIS data quality, HUD/CoC, STEHP, OTDA, OMH and ESSHI-related compliance, reporting, program documentation, and data-informed materials.
- Participated in cross-sector coordination around housing access and homelessness and prepared procedures, reports, presentations, and materials for leadership, staff, funders, and external partners.
- Program Manager - TEMPRO Emergency Family Shelter | Person Centered Housing Options (PCHO), Rochester, NY | July 2025-January 2026**
- Managed an 11-unit, 56-bed emergency family housing program across eight residential properties, coordinating staff, DSS requirements, service delivery, reporting, billing documentation, and housing transitions.
- Coordinated housing transitions and operational issues across families, public agencies, landlords, service providers, and internal teams.
- Office Manager / Bookkeeper | Seven Sages Wellness Center, Rochester, NY | 2021-2024**
- Managed office administration, financial records, scheduling, customer communications, and day-to-day business operations.

University at Buffalo | Master of Urban Planning Studies | 2018-2021

Graduate study included Strategic Urban Transportation Planning, Land Use & Physical Planning, Urban Design, Environmental Planning & Policy, GIS Applications, Research Methods in Planning, Housing & Community Development, and Economic Development Planning.

ADDITIONAL PROJECT MANAGEMENT EXPERIENCE

Project Manager - Commercial Construction | CHC Construction Group, Syracuse, NY

- Coordinated commercial construction schedules, subcontractors, procurement, contracts, budgets, quality control, client communications, and blueprint/schematic interpretation.

Project Manager - Marketing Communications | Coombs Media, Fairport, NY

- Led client marketing projects from concept through implementation, coordinating writers, graphic artists, vendors, schedules, budgets, and deliverables.

Project Manager - Marketing Communications | DeWolf Architects, Rochester, NY

- Coordinated architects, graphics staff, contractors, and media communications; created and managed RFP/RFQ marketing collateral and authored press releases and articles.

Housing Development Manager / Project Manager | Northeast Hawley Development Association (NEHDA), Syracuse, NY

- Affordable housing development, site selection, HUD-funded development, RFPs, contractors, budgets, compliance, and community engagement. Selected accomplishments are highlighted above.

Program Manager - Youth Entrepreneurship Training Program | Rebuild Syracuse, Inc., Syracuse, NY

- Implemented a federally funded youth entrepreneurship initiative involving program development, grant oversight, reporting, partnerships, instruction, and evaluation.

Global Buyer - Marketing Communications | Xerox, Inc., Webster, NY

- Managed vendor relationships, analyzed marketing expenditures, negotiated contracts, and prepared reports and presentations for senior management; generated more than \$3.5 million in savings through vendor consolidation and contract-rate negotiations.

Owner / General Manager | Rootz-N-Rythmz Restaurant, Rochester, NY

- Managed business operations, budgeting, purchasing, staffing, customer relations, vendor coordination, and day-to-day problem-solving.
