

2026 TDHCA COMPETITIVE 9% HOUSING TAX CREDIT APPLICATION

Edson Commons

Supporting Exhibits Binder | Exhibits A–Y

285 Liberty Avenue, Beaumont, Jefferson County, Texas 77701

144 affordable units • Adaptive reuse • Average Income Test • \$44,000,000 total development cost

ILLUSTRATIVE PROFESSIONAL WORK SAMPLE — NOT FOR AGENCY SUBMISSION

Purpose and Use of This Binder

This binder supports the final Edson Commons mock 2026 TDHCA Multifamily Uniform Application. It demonstrates how a competitive 9% LIHTC application would be supported by site, financing, underwriting, organizational, third-party, accessibility, and public-process documentation.

What is illustrative

- Development, financing participants, and development team members
- Commitments, third-party reports, and transactions
- No fictional document is presented as an actual commitment, award, certification, professional opinion, governmental resolution, or transmitted notice

Public-source evidence used

- HUD 2026 Qualified Census Tract designation
- TCEQ-filed survey and property record (2017)
- City of Beaumont public planning and GIS information
- FHLB Dallas 2026 program information

Public-source facts should be reverified as of any actual application date.

Exhibit Index

Exhibits A through Y as assembled in the supporting documentation binder.

Ex.	Document	Ex.	Document
A	Executive Project Summary	N	Subordinate Affordable Housing Loan Term Sheet
B	Sources & Uses / Financing Summary	O	LIHTC Equity Investment Term Sheet
C	Site Control Term Summary	P	Local Political Subdivision Funding & HOME Match
D	Title, Site Ownership & Access Summary	Q	FHLB Dallas AHP Funding Assumption
E	Site Location, QCT, Zoning & Flood Evidence	R	Developer Fee & Deferred Fee Memorandum
F	Environmental Review Executive Summary	S	Organizational Chart & Ownership
G	Market Study Executive Summary	T	Development Team Schedule
H	Appraisal / Valuation Executive Summary	U	Previous Participation / Experience Schedule

M	TDHCA HOME MFDL Assumptions Memorandum		

EXHIBITS A – I

Project, Site & Third-Party Review

Executive Project Summary

EXHIBIT A

144	\$44,000,000	\$2,000,000	51.667%
Affordable rental units	Total development cost	Annual federal HTC request	Average AMI (52% committed)

Project Attribute	Final Application Assumption	Project Attribute	Final Application Assumption
Location	285 Liberty Ave., Beaumont, TX 77701	AMI Mix	24 @ 30%; 48 @ 50%; 72 @ 60%
Development Type	Adaptive reuse of a former hotel	Unit Mix	8 studio / 42 one-BR / 76 two-BR / 18 three-BR
Target Population	General Population	Net Rentable Area	119,500 square feet
LIHTC Units	144 (100% applicable fraction)	Basis Boost	130% QCT basis boost
Income Election	Average Income Test	QCT	2026 HUD QCT, Tract 117.00, Jefferson County
Vacancy & Collection Loss	7.50%	Replacement Reserve	\$300/unit/year — \$43,200 annually
Project-Based Rental Assistance	None assumed	Applicable Fraction	100%

Development concept: conversion of an existing former hotel in downtown Beaumont into income-restricted rental housing using a layered capital structure of 9% LIHTC equity, conventional debt, HOME MFDL funds, subordinate financing, local public support, FHLB Dallas AHP funding, and deferred developer fee.

Sources & Uses — Permanent Capital Stack

Permanent Source	Amount	% of Total
Federal LIHTC Equity	\$18,000,000	40.9%
Conventional First Mortgage	\$9,000,000	20.5%
TDHCA HOME Multifamily Direct Loan	\$5,750,000	13.1%
Subordinate Affordable Housing Loan	\$4,000,000	9.1%
Local Political Subdivision Contribution	\$4,000,000	9.1%
FHLB Dallas AHP Grant	\$1,750,000	4.0%
Deferred Developer Fee	\$1,500,000	3.4%
TOTAL PERMANENT SOURCES	\$44,000,000	100.0%

Construction-Period Sources & Uses of Funds

EXHIBIT B

Construction-Period Source	Amount
Conventional Construction / Perm Facility	\$24,000,000
TDHCA HOME MFDL	\$5,750,000
Subordinate Affordable Housing Loan	\$4,000,000
LIHTC Investor Equity — Initial Pay-In	\$3,000,000
Local Political Subdivision Contribution	\$4,000,000
FHLB Dallas AHP Grant	\$1,750,000

Use of Funds	Amount
Hard costs including contingency	\$26,550,000
Contractor fees	\$3,050,000
Developer fees (G&A + profit)	\$5,100,000
Soft costs	\$3,775,000
Financing costs	\$2,475,000
Operating reserve	\$650,000
Rent-up reserve	\$100,000
Acquisition & other project costs	Balance to \$44,000,000

Total construction contract of \$29,600,000 comprises hard costs plus contractor fees. Contingency is modeled at \$1.7 million.

Site Control Term Summary

Illustrative site-control assumption; not an executed contract.

Term	Assumption
Property	285 Liberty Avenue, Beaumont, Texas 77701
Site Control Form	Contract for sale
Effective Date	January 15, 2026
Expiration Date	December 31, 2026
Anticipated Closing	September 30, 2026
Seller Relationship	Modeled as unrelated to Applicant / Development Team
Direct Loan Language	Assumed to include required HOME / MFDL provisions
Purchase Structure	Arm's-length acquisition; final legal description subject to title and survey

Training limitation: a real TDHCA submission would include the executed site-control instrument and all required extensions, amendments, legal descriptions, signatures, and MFDL-specific contract language.

Title, Site Ownership & Access Summary

EXHIBIT D

Modeled title documentation

- Title commitment or policy would identify the fee-simple owner, legal description, taxes, easements, restrictions, liens, and exceptions
- Application assumes no identity of interest between seller and applicant or development team
- Documented ingress/egress evidence will be provided where access is not fully contained within the controlled parcel
- The TDHCA workbook identifies a title commitment or policy as required for the modeled MFDL request

Public survey / property evidence

A TCEQ-filed 2017 survey identifies the Liberty Pearl Building at 285 Liberty Avenue and related property at 201/285 Liberty Street and 341 Pearl Street. The survey notes a subject property area of approximately 1.199 acres for the tract shown and records existing lots, alley agreements, utilities, and improvements.

This public record is used only as contextual evidence. It is not a current title commitment or a current ALTA/NSPS survey.

Source: TCEQ public records (Doc. 4107224)

Site Location, QCT, Zoning & Flood Evidence

EXHIBIT E

Public-source verification and application assumptions.

Item	Evidence / Application Position
Coordinates	30.0848, -94.099506
2020 Census Tract	48245011700 / Tract 117.00
2026 QCT	Yes — HUD lists Jefferson County Tract 117.00 in the Beaumont–Port Arthur MSA
Zoning	CBD (Central Business District) per application; City public GIS includes a CBD zoning layer
Flood Zone	Zone X; application states the entire site is outside the 100-year floodplain
Urban / Rural	Urban

HUD QCT evidence

HUD's 2026 IRS §42(d)(5)(B) Qualified Census Tract table lists Jefferson County Tract 117.00 under the Beaumont–Port Arthur MSA. 2026 designations are effective January 1, 2026.

Flood evidence

The TCEQ-filed survey states FEMA Flood Zone X. The survey is dated July 7, 2017 and should not substitute for a current FEMA determination.

City planning / GIS

City of Beaumont public mapping includes a zoning layer with CBD among mapped categories. A real submission should include a site-specific zoning map or verification letter.

Environmental Review Executive Summary

Illustrative Phase I / environmental underwriting summary; not a Phase I ESA.

Item	Modeled Assumption
Modeled Consultant	Gulf Environmental Consulting, LLC / Christopher Lee
Report Date	January 30, 2026
Property	285 Liberty Avenue, Beaumont, TX
Development Type	Adaptive reuse / substantial rehabilitation

\$300,000

Asbestos abatement in budget

\$150,000

Lead-paint abatement in budget

Modeled findings

- Building age and prior use warrant asbestos-containing-material and lead-based-paint surveys before disturbance
- TCEQ records indicate the broader property is associated with a Municipal Setting Designation record; diligence should evaluate that record, historic uses, vapor pathways, and any land-use restrictions
- No conclusion of a ‘clean site’ is made in this training exhibit
- Final lender and investor underwriting would require a compliant Phase I ESA and any recommended Phase II, asbestos, lead, mold, or specialty investigations

Market Study Executive Summary

Illustrative market underwriting summary; not a third-party market study.

Modeled analyst: Texas Housing Market Advisors, LLC / Susan Patel • Report date: February 6, 2026 • General Population • 144 units

Bedrooms	30% AMI	50% AMI	60% AMI	Total
Studio	1	3	4	8
1 Bedroom	7	14	21	42
2 Bedroom	13	25	38	76
3 Bedroom	3	6	9	18
TOTAL	24	48	72	144

Underwriting conclusions

- Average Income Test modeled average of 51.667%; 52% committed for scoring
- Primary demand modeled from income-qualified households seeking centrally located affordable rental housing in Beaumont
- No project-based rental assistance; rent schedule relies primarily on tenant rental income

Final application support would require the TDHCA-compliant market study, PMA map, comparable properties, capture and penetration analysis, absorption, rent conclusions, and analyst certification.

Rent Schedule & Gross Rent Potential

EXHIBIT G

From the application rent schedule; gross rents less modeled utility allowances.

AMI	Unit Type	Units	Unit SF	Gross Rent	Utility Allow.	Net Rent	Monthly Total
30%	Studio	1	500	\$460	\$45	\$415	\$415
30%	1 BR	7	650	\$493	\$63	\$430	\$3,010
30%	2 BR	13	900	\$592	\$82	\$510	\$6,630
30%	3 BR	3	1,100	\$684	\$103	\$581	\$1,743
50%	Studio	3	500	\$767	\$45	\$722	\$2,166
50%	1 BR	14	650	\$822	\$63	\$759	\$10,626
50%	2 BR	25	900	\$987	\$82	\$905	\$22,625
50%	3 BR	6	1,100	\$1,140	\$103	\$1,037	\$6,222
60%	Studio	4	500	\$921	\$45	\$876	\$3,504
60%	1 BR	21	650	\$987	\$63	\$924	\$19,404
60%	2 BR	38	900	\$1,185	\$82	\$1,103	\$41,914
60%	3 BR	9	1,100	\$1,368	\$103	\$1,265	\$11,385
TOTAL	—	144	119,500	—	—	—	\$129,644

Annual potential gross rental income of \$1,555,728 carries to the operating pro forma.

Appraisal / Valuation Executive Summary

Illustrative underwriting summary; not an MAI appraisal.

Item	Modeled Assumption
Modeled Appraiser	Gulf Coast Valuation Group, LLC / Thomas Bennett, MAI
Report Date	February 10, 2026
Property	285 Liberty Avenue
Assignment	Acquisition and post-rehabilitation valuation support
Modeled Acquisition	\$1,600,000 for existing building acquisition

Scope of a compliant appraisal

- Reconciliation of land and building acquisition value, as-is value, and restricted stabilized value
- Property rights appraised and highest and best use analysis
- Sales, income, and cost approaches as applicable
- Rent restrictions and capitalization-rate support
- Extraordinary assumptions, certification, and appraiser signature

Acquisition eligible basis is reflected separately in the LIHTC basis calculations.

Scope & Cost Review

Illustrative independent review; not an engineer's signed scope and cost review.

Modeled reviewer: Texas Construction Review Services, LLC / Anthony Davis • Review date: February 13, 2026

Cost Category	Final Application Amount
Hard costs including contingency	\$26,550,000
Contractor fees	\$3,050,000
Total construction contract	\$29,600,000
Soft costs	\$3,775,000
Financing costs	\$2,475,000
Developer fees	\$5,100,000
Operating reserve	\$650,000
Rent-up reserve	\$100,000
TOTAL DEVELOPMENT COST	\$44,000,000

Review focus

- Adaptive reuse scope should include building envelope, life safety, MEP, unit conversions, accessibility, hazardous-material remediation, and code upgrades
- Contingency modeled at \$1.7 million
- Site work totals \$750,000 across demolition, detention, grading, on-site concrete, electrical, paving, utilities, decorative masonry, and striping and signage
- Final third-party review would reconcile plans and specifications, quantity takeoffs, construction schedule, Davis-Bacon applicability, and eligible-basis treatment

EXHIBITS J – K

Architectural Program & Operations

Architectural Program, Accessibility & Parking

Illustrative program summary; no architect or engineer signature.

Unit Type	# Units	SF / Unit	Net SF
Studio	8	500	4,000
1 Bedroom	42	650	27,300
2 Bedroom	76	900	68,400
3 Bedroom	18	1,100	19,800
TOTAL	144	—	119,500

119,500 SF

Net rentable area

100

Surface parking spaces

Accessibility

- Mobility-accessible units equal the workbook's final 5% requirement carried through the accessibility worksheet
- Hearing and visual units modeled at 3 units based on the 2% requirement
- All ground-floor and elevator-served units modeled to comply with applicable visitability requirements
- Professional certifications and seals are intentionally omitted from this work sample

Parking

Training assumption of 100 surface parking spaces, including 8 accessible spaces and 2 van-accessible spaces; no carports or garages. The final site plan and local code analysis would control.

Utility Allowance Support Memorandum

Illustrative underwriting utility allowance; not a TDHCA-approved utility allowance.

Component	Studio	1 BR	2 BR	3 BR
Cooking	\$6	\$7	\$9	\$11
Other Electric	\$19	\$27	\$35	\$44
Air Conditioning	\$12	\$17	\$22	\$28
Water Heating	\$8	\$12	\$16	\$20
TOTAL TENANT ALLOWANCE	\$45	\$63	\$82	\$103

Landlord-paid components

Heating, water, sewer, and trash are modeled as landlord-paid and appear in the annual operating expense schedule rather than the tenant allowance.

A final application would require a permitted utility allowance methodology and supporting documentation consistent with TDHCA requirements.

Allowances above are deducted from gross rents to derive the net rents shown in the rent schedule.

Annual Operating Expenses — Year 1

EXHIBITS K–L

Stabilized base-year operating budget from the application workbook.

Expense Category	Annual Amount
Payroll, payroll tax & employee benefits	\$250,000
Repairs & maintenance	\$125,000
Annual property insurance	\$95,600
Electric & gas utilities	\$85,000
Water, sewer & trash utilities	\$83,000
Management fee (5% of effective gross income)	\$71,952
General & administrative	\$50,000
Reserve for replacements (\$300/unit)	\$43,200
Property tax	\$40,000
Other expenses	\$38,760
TOTAL ANNUAL EXPENSES	\$882,512

\$6,129

Expense per unit

61.3%

Expense-to-income ratio

Year 1 Operating Summary	Amount
Potential gross annual rental income	\$1,555,728
Vacancy & collection loss (7.5%)	(\$116,680)
Effective gross annual income	\$1,439,048
Total annual expenses	(\$882,512)
NET OPERATING INCOME	\$556,536

EXHIBITS L – R

Financing & Capital Commitments

Conventional Construction & Permanent Loan

EXHIBIT L

Illustrative financing term sheet; not a lender commitment.

Term	Construction Period	Permanent Period	Conditions
Lender	TBD Conventional Lender	TBD Conventional Lender	▪ Final underwriting and appraisal ▪ Executed construction contract with plans and specifications ▪ Environmental clearance ▪ LIHTC award and investor commitment ▪ Subordinate financing commitments ▪ Title, survey, insurance, permits, and closing diligence
Facility	Construction / Perm First Mortgage	First Mortgage	
Amount	\$24,000,000	\$9,000,000	
Term	24 months	18 years	
Interest Rate	7.00%	6.50%	
Amortization	N/A during construction	35 years	
Lien Position	1st	1st	
Recourse / Guarantees	Subject to lender underwriting	Subject to lender underwriting	
Income Averaging	Lender to acknowledge the Average Income election	Same	

HOME MFDL & Subordinate Loan Assumptions

EXHIBITS M–N

Illustrative application assumptions; not a TDHCA reservation, award, or lender commitment.

Exhibit M — TDHCA HOME Multifamily Direct Loan

Item	Modeled Assumption
Requested Amount	\$5,750,000
Construction Term	24 months
Modeled Interest Rate	1.00%
Permanent Amortization	35 years
Permanent Term	18 years
Lien Position	2nd
HOME Match	\$431,250 from local political subdivision funding
Status	Application request only; no award represented

Exhibit N — Subordinate Affordable Housing Loan

Term	Assumption
Lender	TBD Affordable Housing Lender
Amount	\$4,000,000
Construction Term	24 months
Interest Rate	1.00% modeled
Permanent Amortization	40 years
Permanent Term	18 years
Lien Position	3rd
Repayment	Subject to final underwriting and intercreditor structure

A real HOME commitment would be governed by TDHCA award terms, underwriting, environmental review, HOME requirements, affordability periods, eligible costs, draw procedures, Davis-Bacon and URA requirements as applicable, and closing conditions.

LIHTC Equity Investment Term Sheet

Illustrative equity term sheet; not an investor commitment.

Term	Assumption
Investor / Syndicator	TBD LIHTC Investor / Syndicator
Annual Federal HTC Request	\$2,000,000
10-Year Credit Amount	\$20,000,000
Assumed Pricing	\$0.90 per \$1.00 of credit
Gross Equity	\$18,000,000
Construction-Period Pay-In	\$3,000,000
Remaining Equity	Funded at conversion and milestones
Applicable Fraction	100%
Income Election	Average Income Test

Illustrative pay-in milestones

- 1

Initial closing / investor admission
- 2

Construction completion
- 3

Placed-in-service and lease-up
- 4

Permanent conversion / stabilization
- 5

Cost certification, Form 8609 delivery, and final tax-credit conditions

Local Funding, HOME Match & FHLB Dallas AHP

EXHIBITS P–Q

Illustrative evidence of local and program funding; not a City of Beaumont commitment or an FHLB award.

Exhibit P — Local political subdivision funding

Item	Amount / Treatment
Local Political Subdivision	City of Beaumont, Texas — modeled source
Contribution	\$4,000,000
Financing Score Treatment	§11.9(d)(2) local contribution
HOME Match Designation	\$431,250 of the local contribution
Double Counting	HOME match is not an additional source
Status	Illustrative; requires actual local action

Exhibit Q — FHLB Dallas AHP funding assumption

Item	Assumption / Public Program Information
Program	FHLB Dallas AHP General Fund
Modeled Source	\$1,750,000
2026 Program Maximum	Up to \$1.75 million per project
2026 Application Window	March 31 – April 30, 2026
Submission	Sponsor applies through an FHLB Dallas member institution
Status	Modeled anticipated source only

Public source: FHLB Dallas 2026 Community Investment Offerings bulletin.

Developer Fee & Deferred Fee Memorandum

EXHIBIT R

\$5,100,000

Total developer fees

\$5,000,000

Developer profit / fee

\$1,500,000

Deferred developer fee

29.41%

Deferred percentage

Item	Amount
General & administrative	\$100,000
Developer profit / fee	\$5,000,000
Total developer fees	\$5,100,000
Deferred developer fee	\$1,500,000
Deferred percentage	29.41%

Treatment in the capital stack

The deferred developer fee is modeled as a permanent financing source and is below the 50% deferral threshold referenced in the financing scoring worksheet.

15-Year Operating Pro Forma

EXHIBIT L

Base-year stabilized operations trended per the application workbook.

Line Item	Year 1	Year 5	Year 10	Year 15
Potential gross annual rental income	\$1,555,728	\$1,683,970	\$1,859,239	\$2,052,750
Vacancy & collection loss (7.5%)	(\$116,680)	(\$126,298)	(\$139,443)	(\$153,956)
Effective gross annual income	\$1,439,048	\$1,557,672	\$1,719,796	\$1,898,794
Total annual expenses	(\$882,512)	(\$990,176)	(\$1,143,587)	(\$1,320,984)
Net operating income	\$556,536	\$567,496	\$576,209	\$577,809
Annual debt service — first lien	(\$428,777)	(\$428,777)	(\$428,777)	(\$428,777)
Annual net cash flow	\$127,759	\$138,719	\$147,432	\$149,032
Debt coverage ratio	1.30x	1.32x	1.34x	1.35x

Debt coverage remains above 1.29x throughout the 15-year period, with cumulative net cash flow of approximately \$2.12 million by Year 15.

EXHIBITS S – Y

Organization, Team & Public Process

Organizational Chart & Ownership

Illustrative ownership entities for training purposes.

Developer / Guarantor: Edson Development Partners, LLC. All names and entities in this exhibit are illustrative training assumptions.

Development Team Schedule

EXHIBIT T

Illustrative team used to populate the application.

Role	Firm	Contact
Developer	Edson Development Partners, LLC	Jordan Mitchell
General Contractor	Gulf Coast Builders, LLC	Michael Torres
Cost Estimator	Gulf Coast Construction Consulting, LLC	Daniel Brooks
Architect	Southeast Texas Design Collaborative, PLLC	Laura Chen, AIA
Engineer	Gulf Engineering Partners, PLLC	Robert Hayes, PE
Civil Engineer	Jefferson Civil Engineering, PLLC	Maria Alvarez, PE
Market Analyst	Texas Housing Market Advisors, LLC	Susan Patel
Appraiser	Gulf Coast Valuation Group, LLC	Thomas Bennett, MAI

Role	Firm	Contact
Attorney	Lone Star Housing Counsel, PLLC	David Morgan
Accountant	Housing Development Accounting Group	Karen Williams, CPA
Property Manager	Edson Residential Management, LLC	Angela Foster
Syndicator	EC Housing Tax Credit Investor, LLC	Emily Carter
Title Company	Gulf Coast Title Services, LLC	Jennifer Reed
ESA Provider	Gulf Environmental Consulting, LLC	Christopher Lee
Scope & Cost Review	Texas Construction Review Services, LLC	Anthony Davis

Previous Participation / Experience Schedule

EXHIBIT U

Training schedule; no invented TDHCA award numbers.

Entity / Principal	Modeled Experience Position
Edson Development Partners, LLC	Prior affordable-housing development experience assumed for training
Jordan Mitchell	Prior TDHCA / LIHTC experience assumed for training
Alexandra Reed	Prior development experience assumed for training
Edson Commons, LP	New single-purpose ownership entity
Edson Commons GP, LLC	New project-level general partner
EC Housing Tax Credit Investor, LLC	Illustrative investor limited partner

No fictitious TDHCA application numbers, awards, placed-in-service dates, or compliance histories are asserted in this work sample.

Competitive HTC Self-Score Summary

10 TAC §11.9

Self-populated from scoring selections throughout the application workbook.

Scoring Category	Point Item	QAP Ref.	Points
Serve & Support Texans Most in Need	Income levels of residents	§11.9(c)(1)	15
Serve & Support Texans Most in Need	Rent levels of residents	§11.9(c)(2)	11
Efficient Use of Limited Resources	Extended affordability	§11.9(e)(5)	4
Efficient Use of Limited Resources	Leveraging of private, state & federal resources	§11.9(e)(4)	3
Efficient Use of Limited Resources	Right of first refusal	§11.9(e)(7)	1
Community Support & Engagement	Commitment of development funding by local political subdivision	§11.9(d)(2)	1
Point deductions	—	§11.9(f)	0
TOTAL APPLICATION SELF-SCORE			35

35 points

Total application self-score

26 points

Serve & support Texans most in need

8 points

Efficient use of limited resources

Scoring selections must be verified against the application prior to submission; corrections are subject to TDHCA administrative deficiency procedures.

Public Process: Resolution & Notification Samples

EXHIBITS V–X

Form and sample documents only — not adopted, signed, issued, transmitted, or delivered.

EXHIBIT V

Local Government Support Resolution

Form only. The sample language would state that the governing body supports the Application and Development. For an actual application, the adopted resolution must satisfy applicable QAP wording, timing, meeting, signature, and delivery requirements.

NOT AN ACTUAL CITY OF BEAUMONT RESOLUTION

EXHIBIT W

Public Notification Sample

Demonstrates the type of project notification associated with a TDHCA multifamily application, describing the 144-unit adaptive reuse, the 9% HTC and HOME MFDL request, and the Average Income Test election.

SAMPLE — NOT ACTUALLY SENT

EXHIBIT X

Voluntary Acquisition / URA Notice

Models a voluntary arm's-length purchase in which the prospective purchaser has no eminent-domain authority and would not acquire through condemnation if negotiations fail.

SAMPLE — NOT ACTUALLY DELIVERED

Real submissions would require the required TDHCA notice form, recipients, delivery method, timing, evidence of delivery, and full Uniform Relocation Assistance and Real Property Acquisition Policies Act procedures where applicable.

Supporting Documentation Matrix

Application area, expected support, and how this binder treats it.

Application Area	Expected Support	Binder Treatment
Tab 8 / Site	Street and site map, census/QCT map, zoning and flood evidence	Public-source summary; official current map or ZVL required
Tab 12 / Site Control	Contract, title, access, QCT support	Illustrative summaries; no executed contract or title commitment
Tab 20–21 / Acquisition	Acquisition and URA documentation	Illustrative narrative and sample notice
Tab 23	Architect and engineer accessibility certifications	Narrative only; no signature or seal
Tab 25	Utility allowance support	Illustrative underwriting memo; no agency approval
Tab 29	Site work engineer certification	Cost support only; no engineer signature or seal
Tab 35	Permanent, construction, gap, and equity financing; LPS contribution	Illustrative term sheets and local funding memo
Tab 37–42	Organization and development team	Illustrative charts and schedules
Tab 46	Local government support	Sample resolution form only
Tab 47	ESA, market study, scope and cost review, appraisal	Executive summaries only; not third-party reports

Final Limitations & Key Public Sources

EXHIBIT Y

Final limitations

- This binder accompanies a mock professional work sample and is not intended for submission to TDHCA or any lender, investor, governmental body, or third-party professional
- Any named fictional lender, investor, consultant, developer entity, or principal is a training placeholder unless expressly identified as a public agency or public source
- No signature, seal, certification, award, commitment, adopted resolution, or delivered notice is represented as genuine
- Public-source facts should be reverified as of any actual application date
- The final Excel application remains the controlling source for the modeled project assumptions

Key public sources

- HUD 2026 Qualified Census Tract dataset (QCT2026M)
- HUD User QCT portal
- TCEQ public records — filed survey, document 4107224
- City of Beaumont interactive maps and public GIS zoning legend
- FHLB Dallas 2026 Community Investment Offerings bulletin
- TDHCA apply-for-funds program information

Edson Commons

285 Liberty Avenue | Beaumont, Jefferson County, Texas 77701

144 affordable units • Adaptive reuse • Average Income Test at 52% • \$44,000,000 total development cost • \$2,000,000 annual federal HTC request • 35-point self-score

ILLUSTRATIVE TRAINING SAMPLE — NOT AN ACTUAL COMMITMENT, CERTIFICATION, THIRD-PARTY REPORT, OR GOVERNMENT ACTION
